# ACOUSTIC BOOTHS

Your **modular** office on wheels

## S1

Space 1

### For uninterrupted calls

Space 1 puts your workspace to the most efficient use by creating an island of silence within the open space. Silen's smallest Space brings the most relief.

## S2

Space 2

### For a smooth dialogue

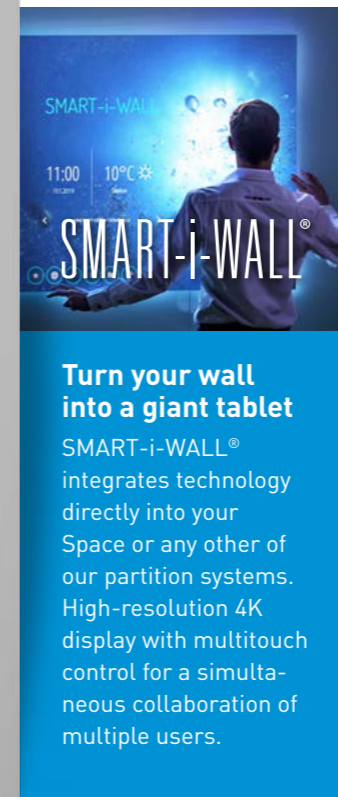

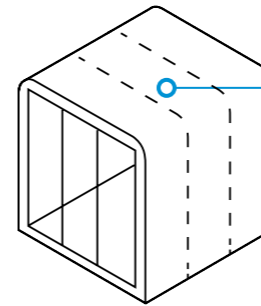

Space 2 is a stylish interior space element separating the high focus area from its more casual counterparts. A perfect fit for a focused work session for two.

## S4/S6

Space 4 / Space 6

### More space for ideas

Modular design means you can quickly adjust the size of the booth according to your needs. By combining two or three modules, you can create a space for up to 6 people.

### Turn your wall into a giant tablet

SMART-i-WALL® integrates technology directly into your Space or any other of our partition systems. High-resolution 4K display with multitouch control for a simultaneous collaboration of multiple users.

Additional

**SILEN SPACE IS A LIVING ORGANISM,** just like your company – it **grows, shrinks** and **moves** around.

Our unique and hassle-free solution is designed to quickly respond to your changing needs. As a result, your Space will be more useful than any other solution, from both the people's and the environment's perspective.

### MODULAR LAYOUT

Combine two or three Space 2 to make a small mobile meeting room. You can split it back at any time.

### MOBILE ON WHEELS

Hidden wheels make it easy to relocate the booth where you want it.

### MAXIMUM PRIVACY

Silence is holy. It is a prerequisite for limiting distractions and maximizing focus. And when we focus, we create.

### PLUG&PLAY

Easy and quick connection with just one cable. Choose the connect via ceiling or floor at anytime.

### AUTOMATED AIR CIRCULATION

### SOCKET 110-240V + USB
